Hi

and hi Jackson - long time no see! First post here, came across you via a flyer at the Hub. I saw the book The Selfsufficientish Bible at Waterstones and notice they have a rather good website at: www.selfsufficientish.com There's a v good forum too. In fact I posted about this site there. Hope you don't mind. See our blog: <http://greenbristol.blogspot.com>
