
Grand Designs - Straw Bale Selfbuild

Posted by lazypantha - 2008/05/07 13:06

Greetings Ecomotivators!

I just wanted to share a link with you that I discovered courtesy of the UnLtd World Directory...

Tomorrow night there is going to be a selfbuild Straw Bale house on the final of Grand Designs (C4 9pm). Here's the details I was sent:

PENWHILWR STRAW BALE HOUSE HAS REACHED THE FINALS IN THE GRAND DESIGNS ECO BUILD CATEGORY AND WILL GO TO PUBLIC VOTE!

THIS HOME EMBODIES ALL THE PRINCIPLES OF A LOW CARBON, SUSTAINABLE BUILD, IT IS POWERED BY THE SUN AND THE WIND WITH A RAINWATER HARVESTING SYSTEM

USING LOCAL AND NATURAL MATERIALS, THE HOUSE WAS BUILT BY OVER 200 DEDICATED VOLUNTEERS AND WORKERS FROM OUR LOCAL COMMUNITY AND FROM AROUND THE WORLD

IT SERVES AS AN EXAMPLE FOR LIVING LIGHTLY AND SUSTAINABLY ON THE PLANET IN THESE CHANGING TIMES

FOR MORE INFO: www.granddesignsawards.com

THERE WILL VOTING BY TELEPHONE only ON THE NIGHT

www.quietearth.org.uk

Hope you Enjoy!
