
Experienced worker available - Bristol and Yorks

Posted by Eddie - 2008/06/04 21:18

Hi,
Im a surveyor by trade but with on site experience (hands on as well as paperwork)
Im looking for more self build experience before I launch myself into my own self build project later this year.
Im a fit mid - thirties male so if nothing else, some muscle on site may help!
Have fun,
Ed
